144, Lake Circus, Abed Dhali Road, Kalabagan, Dhaka-1205

I am looking for a mid-level role where I can apply my PHP and Laravel skills to contribute to innovative projects, work with a dynamic team, and continue growing while tackling challenging problems.

EXPERIENCE

Internship (January 2024 - March 2024) PHP & Laravel Developer
LEOTECH, Dhaka

- Gained hands-on experience with PHP and Laravel by contributing to real projects.
- Assisted in developing and maintaining web applications.
- Learned coding best practices from senior developers.
- Improved understanding of MVC architecture, routing, authentication, and database migrations.
-

Professional Experience (April 2024 - Present) Junior Laravel Developer
LEOTECH, Dhaka

- Develop and maintain web applications using PHP and Laravel.
- Implement new features and optimise existing ones based on user feedback.
- Collaborate with cross-functional teams for seamless backend integration.
- Perform unit testing, troubleshooting, and performance optimisation.
- Assist in deploying and monitoring applications in production environments

SKILLS

- **Languages & Frameworks:** PHP, Laravel, Bootstrap, JavaScript, Ajax
- **Databases:** MySQL, Oracle
- **Soft Skills:** Team collaboration, problem-solving, attention to detail, time management, Hardworking

PROJECT

- **School Management System:** Developed a comprehensive system for managing school

operations, including student records, attendance, grades, and schedules.

- **ERP System:** Assisted in developing an Enterprise Resource Planning system, integrating various business processes and functions into one system.
- **Invoice Billing System:** Developed a system for generating and managing invoices, tracking payments, and handling billing cycles.
- **Bookstore Management System:** Created a system for managing bookstore inventory, sales, and customer orders
